## Chapter 1 by Arkham Knight

It was a cold night in Great Britain, The wind howling strongly, the trees moving in the night. I walked down the street to go ask a neighbor had they seen anything. You see rumor had spread that this guy "Jack The Ripper" a murderer had been killing people around my neighborhood. Many newspapers states that he's real, but i personally don't believe in this.

## Chapter 2 by Kalil Warren

I been looking in to The Jack The Ripper case for a longtime. All the way starting with his first murder, Emma Elizabeth Smith. I didn't know Emma well her fellow co-workers say she was a nice girl. My neighbor, George Lusk knew Emma he said that he spent many nights with her. 'What a shame to see her go,' Jack been striking fear in to the people of Whitechapel for a while now. I plan to end this all with his discovery and his death.
